FOOD (not cumulative) – each time your hand recycles, your people eat the coins on your current band's slots.  
 Short a coin? Return units from the map until the remaining empty slots are covered.

## GOLD VICTORY ROW

## SCORING

1 per unused meld card

– slide cards in from below, ranks ascending left to right; the centre slot scores

units on map + centre rank of your victory row + 3 per terrain: biggest connect
