

Victory row perks

One deck per victory row slot. A perk is live while its slot holds a card: **CUSTOMS** needs two cards in your row, **CRAFTS** three, **WORKS** four, **WONDERS** all five. Deal one token per slot face up at setup, shared by everyone. Spend a perk by turning its token over; turn every token back when your hand recycles. **WONDERS** may be spent twice between recycles if the card in slot 1 is rank 11 or higher. **Cutting**: the dashed rectangles are cuts. The dotted line down the middle of each token, marked with a triangle at each end, is a **fold** — fold it backwards so both printed faces end up outside, and glue.
